

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, DC

ORDER NO. 4501

IN THE MATTER OF:

Served February 17, 1995

Application of McLEAN SCHOOL BUS)
SERVICE, INC., for a Certificate)
of Authority -- Irregular Route)
Operations)

Case No. AP-94-28

This application was conditionally approved in Order No. 4356, contingent on applicant filing certain documents by September 1, 1994. Applicant requested an extension of time to comply, and an extension was granted in Order No. 4414 until January 29, 1995 -- contingent on applicant filing by November 6, 1994, an affidavit verifying that all markings on applicant's vehicles which indicate applicant possesses WMATC operating authority have been concealed or removed.

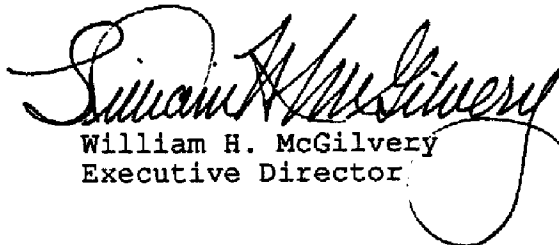

Applicant did not complete compliance with Order No. 4356 until January 30, 1995, and applicant neglected to file the aforementioned affidavit, which avers that "WMATC No. 266 has been covered with tape," until February 3, 1995. Applicant requests further extension of both filing deadlines through and including February 3, 1995. No objection was filed.

For good cause shown, the request will be granted.

THEREFORE, IT IS ORDERED:

1. That applicant shall be deemed to have timely complied with the filing requirements of Orders Nos. 4356 and 4414.
2. That upon issuance of Certificate No. 266, applicant shall uncover the vehicle identification affixed pursuant to Commission Regulation No. 61.

BY DIRECTION OF THE COMMISSION; COMMISSIONERS ALEXANDER, LIGON, AND SHANNON:
